Case No. 14-cr-00175-TEH

**SECOND ORDER MODIFYING
BRIEFING SCHEDULE ON
MOTION FOR SANCTIONS**

11
12
13
14 The Court has reviewed both the Government's administrative motion to modify the
15 briefing schedule on Defendant Pacific Gas and Electric Company ("PG&E")'s motion for
16 sanctions, Dkt. No. 620, and PG&E's administrative motion for additional pages for its
17 reply brief, Dkt. No. 621. Given the compressed schedule, the Court cannot wait for the
18 usual deadline to pass to receive an opposition to these motions.

19
20 The Court now GRANTS the Government's motion. Its supplemental opposition to
21 PG&E's motion for sanctions is due **today by 8:00 PM**, and PG&E's reply is due
22 **tomorrow by 8:00 PM**. In addition, the Court previously ordered that the Government's
23 brief be "short," Dkt. No. 617; to avoid any confusion, the Court now imposes a five-page
24 limit on the supplemental brief.

25
26 The Court DENIES PG&E's motion. The opposition to the motion for sanctions
27 was only thirteen pages. *See* Dkt. No. 603. With a five-page limit on the supplemental
28 brief, the total number of pages in opposition will be well less than the twenty-five pages
allowed by the Local Rules. PG&E therefore does not need additional pages for its reply.

29
30 **IT IS SO ORDERED.**
